URGENT

CADArts Treasurer, Christine Corbin needs to step aside as soon as possible due to other pressing commitments.

As a CIO, we are unable to operate without a treasurer, putting our future in jeopardy. If there is one among you who feels they could step into this very important position, or you know of someone who could fulfil this role, please contact myself or any other member of the committee.

Obviously, Christine would hand over a very efficient system with assistance to help a new treasurer into the role.

The Queen's Platinum Jubilee 2022 CADArts photographic project with Boscombe Camera Club

Christchurch and District Arts (CADArts), Boscombe Camera Club and the Red House Museum and Gardens, Christchurch wished to celebrate the work of the Red House Museum and Gardens volunteer gardeners in this special year by taking photographs of them and creating an album to be presented

to the Red House Museum.

The photographers of Boscombe Camera Club involved in this project were Lorraine Finney, Yvonne Williams and Amber Burton. They photographed the volunteers at work in the Red House Gardens in the Spring of 2022 (April to the end of June). This created a record of the garden and the work done during this period.

The project was co-ordinated by Linda Patterson, Chair of CADArts and Janet Townend, Trustee of CADArts.

The final book was presented to the Museum at the A.G.M of the Friends of the Red House Museum, Wednesday 22nd March.

Assistance was given by Catherine Donne and BeBe Bradley of the Red House Museum and Gardens and Carolyn Guest, Chair of the Friends of the Red House Museum and Gardens

POET'S JOURNEY

I sailed seas of poetry on winds of thought

Toiled with conception where ideas are caught

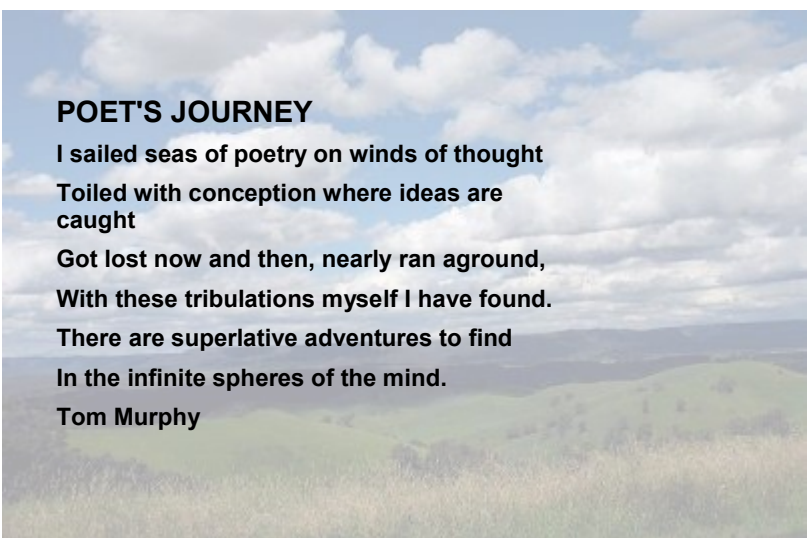

Got lost now and then, nearly ran aground,

With these tribulations myself I have found.

There are superlative adventures to find

In the infinite spheres of the mind.
